BRIXTON

EVENTS &
PARTIES

Our Brixton bar has hosted some BIG events over the years. Vibey parties with drinks and dancing, special weddings with family and friends and slick product launches; we've seen it all.

GOOD VIBES

Our space is flexible, giving you total control of your event. Want all the furniture taken out to create a dance floor? No problem. Want the roof open to let in the sunshine? Done. Need us to book London's best DJs to get the party started? It's what we do.

Enjoy our gorgeous original brickwork arches as a semi-private booking, or go big and take over the whole venue. We're happy to host.

We're famous for our Margaritas, but don't think we're a one trick pony. With a selection of classic cocktails, world beating wines and refreshing beers there's something for everyone.

Our location in Brixton village means that we can serve you dishes from some of the coolest restaurants in London. Check out a few of the names below!
